FUNDRAISING UPDATES

BOX TOPS FOR EDUCATION & CAMPBELL'S SOUP LABELS

We participate in a program called "Box Tops For Education" and the school gets CASH for each box top we turn in. We literally receive 10 cents for every one! That can really add up if we all actively save them. Some schools in our area have earned up to \$1000 a year without much effort, it is so easy to do. Just look for the logo above on the items you purchase, cut them out, then turn them in to the school office, and remember, every little bit helps.

Scholastic Book Orders

The scholastic Book program is a great way to support your student's classroom while buying from an enormous range of outstanding books and material. Each teacher receives credit for their students' orders that they are able to use for classroom book and material.

Snow Closure Protocol

For security reasons please let the front office know if you pick up your student early for any reason!

In the event of extreme weather please call and listen to our voice mail message at 474-6865, or check our website. You can also tune into:

KLDR, KAJO & KDRV for their broadcast regarding school closures in our area.

NOTE: Remember, you can always check for updates on facebook.
