Volunteer/Fundraising Guidelines:

Brighton Academy believes family involvement is an essential part of a child's education and both volunteer hours and fundraising participation are required from all Brighton families. Families who do not meet these obligations will be required to pay the respective dollar amounts detailed below.

VOLUNTEER POLICY

We require our families to work 5 volunteer hours each month or pay a \$45 monthly charge. Parents are given a wide variety of choices in which to fulfill their volunteer obligation from campus/classroom help to school projects, events and even donations. All volunteer duty must be approved and coordinated with the Brighton Academy front office.

FUNDRAISING POLICY

Since fundraising is crucial at Brighton, families are required to participate in our 1st semester raffle and our 2nd semester Jogathon. We ask all parents and students to fulfill the individual fund raising goals set (minimum of \$125 per student in 1st semester raffle ticket sales & minimum of \$125 per student in Jog-a-thon pledges) as well as attend these events, and volunteer in the planning and the execution of these events.

VOLUNTEER / FUNDRAISING GUIDELINES:

- A minimum of 5 volunteer hours per month per family is required. (we will amortize any large number of hours spent on a single event over the school year)
- Student and Parent participation in all Brighton fundraisers and activities is required. Help in the planning and execution of our two annual fundraisers and meet fundraising goals that are set.
- All volunteering must be pre-arranged and documented through the office.

Tuition Billing

Please remember our tuition is an annual amount and is billed in 10 monthly courtesy installments. The final (or 10th) installment is billed in May and due by June 1st. Tuition is due the 1st of each month with a 10 day grace period, after which a \$50 late fee applies. For those who wish to pay the annual tuition in full (due September 1st), you will receive a 5% discount.

Tutoring

Tutoring is a good solution for any student needing focused help in a subject. The charge for our one-on-one tutoring is \$20 per hour per child. Arrangements can be made through the front office or with the teacher directly.
