Parking Lot Safety:

We are aware that drop off and pick up times can be a little harried. We are asking all drivers to use *extreme* caution when dropping off and picking up students. Very slow driving and constant alertness is imperative whenever young children and vehicles are mixed. Please drive slowly and safely in parking lots at all times. When walking through parking lots, be aware of cars backing out of spaces. Please note: In our Mead St. parking lot, there is **no stopping or parking to load and unload except in designated parking spaces from 8-8:30 a.m. and 3-3:30 p.m. You may use the 7th St. parking lot to load and unload during drop off and pick up hours.** Out of courtesy for those who are disabled, remember **handicap spaces are reserved only for those who have an official handicap placard. Thank you!**
